Wedding Ceremonies at Tremenheere

Tremenheere Sculpture Gardens is a beautiful outdoor wedding venue near Penzance and one of the most unique wedding ceremony spots in Cornwall.

Within our stunning tropical and sub-tropical gardens, with exceptional views of St Michael's Mount and Mount's Bay, we have a choice of licensed wedding ceremony venues. Dramatic landscape and exotic and sub-tropical planting provide the backdrop to contemplative but inspiring art by internationally renowned artists, providing endless photo opportunities and the perfect location for after ceremony drinks.

James Turrell Skyspace

A Skyspace is a specifically proportioned chamber with an aperture in the ceiling open to the sky. Skyspaces can be autonomous structures or integrated into existing architecture. The aperture can be round, oval or square.

One of the most unique wedding ceremony venues in the world, the Skyspace is a wedding venue like no other. With just five James Turrell Skyspace chambers in the UK, and only 'Tewlowolow Kernow' at Tremenheere licensed for wedding ceremonies, nowhere else can you host your wedding ceremony within an artwork of this kind.

The Skyspace chamber is licensed to host ceremonies with up to 48 guests and can be hired all year round. If you wish to host a ceremony with more than 48 guests, there is an additional viewing area in the Skyspace portico. Please enquire for more details and availability.

The Garden Pagoda

Under a cedar shingle roof with dramatic panoramic views of St Michael's Mount, while immersed within our beautiful exotic and sub-tropical gardens. The pagoda is a stunning choice for hosting your wedding ceremony outdoors and surrounded by nature.

The perfect venue for smaller, intimate weddings, the Pagoda is licensed for ceremonies with up to six guests. If you wish to invite more than six people, additional guests can watch from outside the Pagoda. Please enquire for details.

Ceremonies can take place in the pagoda all year round. In the unfortunate case of bad weather we're able to move the ceremony to a more sheltered spot.
